Presenting Bajaj Life Goal Suraksha, an easy to buy, insurance plan that secures you and your family with a life cover and a guaranteed sum at maturity.

Key Advantages

Bajaj Life Goal Suraksha is a non-linked, life, individual, non-participating, limited premium payment, non-medical, savings plan. The key advantages of this plan are:

- Guaranteed maturity benefit
- Offers Guaranteed Additions at maturity
- Limited premium payment term
- Option to take policy loan
- Option to alter premium payment mode

How does your Plan work?

You can customize your policy to suit your requirement in the following manner:

Step 1: Choose your Premium amount

Step 2: Choose your Sum Assured

Step 3: Choose your Policy Term (PT)

Step 4: Choose your Premium Payment Term (PPT) from available options

Benefits Payable

Maturity Benefit

On the maturity date, if all premiums are paid, the Guaranteed Sum Assured on Maturity plus Guaranteed Additions, under your policy, will be paid and the policy will terminate.

Guaranteed Additions

On maturity date, if all due premiums have been paid, Guaranteed Additions as a multiple of one Annualized Premium will be paid along with the maturity benefit. Guaranteed additions will not be payable in case of a lapsed or paid-up policy.

For details on Guaranteed Addition factors kindly visit the company website.

Death Benefit

In case of unfortunate death of the Life Assured due to accident during the waiting period or in case of death of the Life Assured after the waiting period due to any cause, the death benefit is payable to the nominee(s)/beneficiaries. Such death benefit is stated as Sum Assured on Death which is as below.

The Sum Assured on Death is the higher of:

(i) Sum Assured Multiple X Annual Premium, (ii) Sum Assured,

In case of death of the Life Assured during the Waiting period other than due to an accident, the death benefit payable to the nominee(s)/beneficiaries will be the 100% of Total Premiums paid till date, excluding any extra premium & Goods & Service Tax/any other applicable tax levied, subject to changes in tax laws.

At no time the Death Benefit will be less than Guaranteed Death Benefit of 105% of the Total Premiums paid up to the date of death. The policy will terminate on payment of the death benefit.

The death benefit is payable provided the policy is in-force and all due premiums have been paid.

Surrender

We advise you to continue your policy and enjoy the benefits of your policy. However, we understand that in certain circumstances you may want to surrender your policy

- You can surrender the policy at any time during the policy term after completion of first policy year provided one full years' premium has been received.
- The Policy will acquire a Surrender Value (i.e. Special Surrender Value SSV) after completion of first policy year provided one full' year premium has been received.
- The Policy will acquire a Guaranteed Surrender Value provided two (2) full years' premiums have been paid.
- The Surrender Value payable will be higher of:
 - Guaranteed Surrender Value (GSV) where, GSV is the sum of GSV1 and GSV2
 - $GSV1 = GSV1 \text{ factor} \times [\text{Total Premiums paid}]$
 - $GSV2 = GSV2 \text{ factor} \times \text{Guaranteed Additions}$ (if all premiums payable under the policy is received by the company)
 - Special Surrender Value (SSV)
- For details on Special Surrender Value, kindly refer the policy document on the Company Website
- The risk cover will terminate on date of surrender and the policy will terminate on the date of payment of surrender benefit.

GSV factors are guaranteed throughout the Policy Term. The SSV factors mentioned above are not guaranteed, will be reviewed by the company annually.

Features

Policy Loan

You may avail loan under your policy, provided that your policy has acquired a surrender benefit. The maximum loan amount granted (cumulatively) shall be up to 80% of the surrender benefit available under your policy as on date of the loan request being considered. Loan interest rate applicable currently is 9% per annum compounding half-yearly, however the loan interest rate may be revised by the company from time-to-time. On death, surrender or maturity, the outstanding policy loan plus interest, as on the date of death/ surrender / maturity, will be deducted from the death/ surrender/maturity benefit payable.

The policy will be foreclosed under the following circumstances:

1. For other than in-force and fully paid-up policies: If, at any time during the policy term, the outstanding policy loan and interest exceeds the surrender value, then, the company will inform the policyholder for payment of interest-due and/or full/part repayment with the notice period of 30-days and, at the end of notice period, the policy will be foreclosed and any surrender value will be adjusted towards the outstanding loan plus interest
2. For in-force or fully paid-up policies: The policy will not be foreclosed on the ground of outstanding loan amount including interest exceeds the surrender value.

Note: The loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The loan interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Alteration of Premium Paying Frequency

You will have the option to change the prevailing premium payment frequency under this policy at any policy anniversary, subject to the availability of the frequency and subject to the minimum modal premiums applicable under product then. The frequency factors are:

Premium frequency	Monthly	Quarterly	Half yearly	Yearly
Frequency Factor (frequency)	0.0859	0.2564	0.5084	1.00

The quarterly and monthly mode will be allowed only under auto-debit process (as per the approved RBI facilities)

Settlement Option

- You will have the option, to receive the maturity benefit in instalments (payable yearly or monthly, as chosen by you) with the first instalment being paid on the Maturity Date. Once chosen this cannot be altered during the policy term.
- You can choose the period during which the instalments will be received, ranging from 5 years to 15 years.
- The interest rate applicable for calculating the instalments shall be 6.5% for instalment periods 5 to 10 years (both inclusive) and 7% for instalment periods greater than 10 years. For details on applicable instalment percentages please refer Company's website.
- Risk Cover will not be available during the instalment period.
- Once the instalments have started, they will be paid irrespective of the life assured being alive or not.
- You will be eligible, during the instalment period, to receive an amount equal to present value (PV) of the future instalments as on the date of such request. The interest rate used to arrive at the present value or lump-sum amount will be 6.5% for the chosen instalment periods of 5 to 10 years (both inclusive) and 7% for chosen instalment periods of greater than 10 years.

Non-payment of Premiums

- **If at least one (1) full years' premium is not paid** then, your policy will immediately and automatically lapse at the expiry of the grace period and no benefit will be payable under the policy.
- **If at least one (1) full years' premium is paid** and the policy has acquired a surrender value, the policy shall not lapse by reason of the non-payment of future premiums, instead the policy will be, immediately & automatically, converted to a paid-up policy at the expiry of the grace period.
 1. Your policy will be immediately and automatically converted to a paid-up policy and the sum assured, guaranteed sum assured on maturity and sum assured on death under the policy will be automatically reduced, respectively, to the paid-up sum assured, paid-up guaranteed sum assured on maturity & paid-up sum assured on death by a factor equal to the proportion of the number of premiums paid to the total number of premiums payable under the policy.
 2. On death of the life assured before the maturity date, paid-up sum assured on death will be paid and the policy will terminate.
 3. On the maturity date, paid-up guaranteed sum assured on maturity will be paid and the policy will terminate.
- Paid-up Guaranteed Death Benefit is 105% of the Total Premiums paid till date of paid-up.
- No Guaranteed Additions will be available in the policy after the policy is lapsed or paid-up.
- You may revive your paid-up policy during the revival period of five (5) years from the due date of first unpaid premium, subject to the revival conditions under the policy.

Revival

If your policy is lapsed/is in paid-up status due for non-payment of premium, you may revive the policy subject to the following conditions:

- a) The application for revival is made within five (5) years from the due date of the first unpaid premium.
- b) The arrears of premiums together with interest, at such rate as the company may decide from time to time along with applicable taxes are paid. The current applicable revival interest is 9% p.a. compounded half-yearly.
- c) Satisfactory evidence of your good health, at your expense, is submitted;
- d) The revival of the policy may be on terms different from those applicable to the policy before it lapsed/became paid-up, based on prevailing Board approved underwriting guidelines of the company.
- e) The revival will take effect only on it being specifically communicated by the Company to you.
- f) The Company may revive or refuse to revive the policy, based on the prevailing Board approved underwriting guidelines. If the policy is refused revival, the company will refund the amount deposited for the purpose of revival of the policy.
- g) On revival, the sum assured, sum assured on death, guaranteed sum assured on maturity and guaranteed additions, under the policy which prevailed before the date of latest lapse/conversion of policy to paid-up status will be reinstated.

Note: The revival interest rate and the loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to [10-year G-Sec yield PLUS 2%] rounded-up to the next full interest rate. The revival interest rate will be reviewed on an annual basis. Any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI.

Termination

This policy shall automatically and immediately terminate on the earlier occurrence of either of the following events:

- a) Payment of surrender benefit.
- b) At the expiry of the revival period, if the lapsed policy has not been revived, the risk cover will terminate immediately on the lapse of the Policy.
- c) On the death of the life assured during the Policy Term.
- d) On date of foreclosure of the policy, if outstanding loan plus interest under a paid-up policy exceeds the surrender benefit.
- e) On the maturity date, if settlement option is not chosen.
- f) On the date of last instalment if settlement option is chosen.
- g) On the date the Policyholder chooses to receive an amount equal to present value (PV) of the future instalments, during the instalment period, if settlement option is chosen
- h) On cancellation of policy during Free look period.

Grace Period

A grace period of 30 days for yearly, half yearly & quarterly premium payment frequency and 15 days is available for monthly premium payment frequency from the due date of Regular Premium payment, without any late fee, during which time the Policy is considered to be in-force with the risk cover without any interruption as per the Policy terms and conditions.

Free Look Period

You will have a free look period of thirty (30) days beginning from the date of receipt of the Policy Document, whether received electronically or otherwise, to review the terms and conditions of the policy. In the event You disagree to any of the policy terms or conditions, or otherwise and have not made any claim, You shall have the option to return the policy to Us for cancellation, stating the reasons for the same. Irrespective of the reasons mentioned, You shall be entitled to a refund of the premium paid subject only to a deduction of a proportionate risk premium for the period of cover and the expenses, if any, incurred by the insurer on medical examination of the proposer and stamp duty charges. The request for cancellation of the policy during free look period shall be processed and the premiums shall be refunded within 7 days of receipt of such request.

Suicide Exclusions

In case of death of the life assured due to suicide within 12 months from the date of commencement of risk or the date of latest revival of the policy, whichever is later, then the nominee or beneficiary of the policyholder shall be entitled to receive, the higher of 80% of the Total Premiums paid** or the surrender benefit as on the date of death, provided the policy is in force.

*** Total Premium means total of all the premiums paid under the base product, excluding any extra premium and taxes, if collected explicitly*

Waiting Period

Waiting period is the first 90 days from the date of commencement of risk. Waiting period is not applicable in case of revival. In case of death during the waiting period other than due to an accident, only 100% of premium paid excluding extra premium & Goods & Service Tax/any other applicable tax levied, subject to changes in tax laws will be paid.

There are no other exclusions other than the suicide clause and waiting period mentioned above.
