Servicing of your Policy and Options offered

VII. Freelook Period

You shall be provided a Free Look Period of 30 days beginning from the date of receipt of Policy document, whether received electronically or otherwise, to review the terms and conditions of such policy, except if tenure of the policy is less than a year. In the event you disagree to any of the Policy terms or conditions, or otherwise and have not made any claim, you shall have the option to return the policy to the us for cancellation, stating the reasons for the same. Irrespective of the reasons mentioned, you shall be entitled to a refund of the Premium paid subject only to a deduction of a proportionate risk premium for the period of cover and the expenses, if any, incurred by the insurer on medical examination of the Proposer and stamp duty charges. A request received by us for cancellation of the Policy during Free Look Period shall be processed and Premium shall be refunded within 7 days of receipt of such request, as stated above.

VIII. Surrender

During any time of the policy period if at least one full Policy Year's premium has been paid, if you wish to close this Policy, you may surrender it. Surrender value will be made available after the receipt of the first full Policy Year's premium. If there is any surrender value payable, it would be higher of Special Surrender Value or Guaranteed Surrender Value (available only after two full years premiums have been paid). The factors used to arrive at, and the Guaranteed Surrender Value and Special Surrender Value will be detailed on our website. We will comply with regulatory guidelines with respect to Special Surrender Value as may be issued by the Insurance Regulatory and Development Authority of India from time to time.

IX. Revival

In case you were unable to pay towards the Policy, and it lapses or become paid-up, here is a way to revive it. A Lapsed Policy may be revived within 5 years from the date of non-payment of premium. Revival will require paying the arrears of premiums due under the Policy along with interest on each premium at the rate equivalent of 10 year G-Sec rate plus 2%, rounded up to the higher interest rate (along with applicable Taxes). The revival interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). The current applicable revival interest rate is 9% p.a. compounded half-yearly. The interest rate will be reviewed on an annual basis and any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI. It may also require undergoing Medical Examinations, at the Policyholder's expense. After all parameters have been considered, the Policy may either be:

- a. Revived with the same premium amount; or
- b. Revived with different premium amounts; or
- c. Refused revival and all amounts paid for the revival shall be refunded

This is entirely dependent on underwriting guidelines and the discretion of the Company. If the policy is revived, all benefits will be restored and any benefits payable during the lapsed period will be paid.

X. Claim Process

We will continue to do all we can to ensure all claims we receive are honoured on time, every time! As Life Goals enablers, it is the moment of truth for each of us in the Company. To help us make this a seamless process, kindly make a note of the following, and update the nominee as well. Death Benefits are only payable if an intimation, has been received by us along with

- a. Written Notice of Intimation of Death or
- b. Original Death Certificate
- c. Medical cause of death certificate
- d. If death is due to unnatural causes, copy of FIR (First Information Report) and PMR (Post-Mortem Report);

Any other documents that may be requested on intimation of death of the Life Assured for investigations or otherwise by the Company.

XI. Loan

Loan can be availed under the Policy as long as it has acquired a Surrender Value. Loan can be availed subject to a maximum limit of 80% of the available Surrender Value under the Policy. Interest will be charged at 9% per annum compounded half-yearly, which rate may be revised during the loan tenure by the Company from time to time. The loan interest rate will be benchmarked to the G-Sec based on the information from Financial Benchmark India Private Ltd (FBIL). It will be equal to 10-year G-Sec yield PLUS 2% rounded-up to the next full interest rate. The interest rate will be reviewed on an annual basis and any change in bases used for determination of applicable interest rate will be subject to prior approval of IRDAI. On Death, Maturity and Surrender, any outstanding loan amount along with interest payable at such time will be deducted from the Death Benefit, Maturity Benefit or Surrender Value before being released to the Policyholder. If any Income Benefit

(formerly known as Bajaj Allianz Life Insurance Company Limited)

is payable, the amount will first be adjusted towards the outstanding loan amount along with interest and any residual amount thereafter shall be paid to you.

For any policy that is not fully paid up or in force, only if the outstanding loan amount along with interest exceeds the Surrender Value, an intimation will be given to the Policyholder to pay the outstanding loan and interest amount within 30 (thirty) days, failing which the Policy will be foreclosed and the Surrender Value will be adjusted towards the outstanding loan and interest amount. Policies where the premiums due have been paid will not be foreclosed on the grounds of outstanding loan and interest amounts exceeding the surrender value.

XII. Termination

Policy would terminate

- a. if all Benefits are paid as per the terms of the Policy;
- b. on Surrender;
- c. on Repudiation as per the provisions of Section 45 of the Insurance Act, 1938;
- d. end of Revival period of a Lapsed Policy if the due premium has not been paid;
- e. on Maturity.

XIII. Options and Flexibilities

- a. Options available under the Income Variant

Option to take Income Instalments in different instalment frequencies

The default Regular Income Instalment Payment frequency is Annual and paid in arrears. You can opt for monthly, Instalments. You can opt for this at the start of the Regular Income Payment Period. The payouts will be reduced by 3% per annum. For example, if your Regular Income is Rs.12,000/- per annum, on moving to monthly frequency, the income would be $[Rs.12,000/- \times (1-3\%)/12]$ which would be Rs.970/- per month. This option cannot be changed once chosen.

- b. Options available under Lumpsum Variant

Option to take Maturity Benefit in Instalments

You, the Policyholder, may opt to receive the Maturity Benefit in monthly or yearly instalments over a period of 5 years, 10 years or 15 years. This option can be chosen at any time before the Date of Maturity. The Maturity Benefit Amount will be paid in equal instalments, monthly or yearly, along with interest yield equal to the rate equivalent of 10 year G-Sec rate less a spread of 50 base points for the instalments. You can choose to discontinue the instalments and receive the discounted value of the remaining amount due as a lumpsum. The discounting would be at the same interest rate which was used for the instalment calculation.

Section 45 of the Insurance Act, 1938, as amended from time to time- Policy shall not be called in question on the ground of misstatement after three years: Provisions regarding Policy not being called into question in terms of section 45 of the Insurance Act, 1938, as amended by The Insurance Laws (Amendment) Act, 2015 dated 20.03.2015 are as follows:

1. No Policy of life insurance shall be called in question on any ground whatsoever after expiry of three (3) years from (a) the Policy Commencement Date or (b) the Date of Commencement of Risk or (c) the date of latest revival of the Policy or (d) the Date of Commencement of Rider; whichever is later.

2. On the ground of fraud, a Policy of life insurance may be called in question within three (3) years from (a) the Policy Commencement Date or (b) the Date of Commencement of Risk or (c) the date of latest revival of the Policy or (d) the Date of Commencement of Rider; whichever is later.

For this, the Company should communicate in writing to the Company or legal representative or Nominee or assignees of Policyholder, as applicable, mentioning the ground and materials on which such decision is based.

3. Fraud means any of the following acts committed by Life Assured or Policyholder or by his agent, with the intent to deceive the Company or to induce the Company to issue the life insurance Policy:

a. The suggestion, as a fact of that which is not true and which the Life Assured or Policyholder does not believe to be true, b. The active concealment of a fact by the Life Assured or Policyholder having knowledge or belief of the fact, c. Any other act fitted to deceive, and, d. Any such act or omission as the law specifically declares to be fraudulent.

4. Mere silence is not fraud unless, depending on circumstances of the case, it is the duty of the Life Assured or Policyholder or his agent keeping silence to speak, or silence is equivalent to speak.

5. No Insurer shall repudiate a life insurance Policy on the ground of Fraud, if the Life Assured or Policyholder / beneficiary can prove that the misstatement was true to the best of his knowledge and there was no deliberate intention to suppress the fact or that such misstatement of or suppression of material fact are within the knowledge of the insurer. Onus of disproving is upon the Policyholder, if alive, or beneficiaries.

6. Life insurance Policy can be called in question within three (3) years on the ground that any statement of or suppression of a fact material to expectancy of life of the Life Assured or Policyholder was incorrectly made in the Proposal Form or other documents, basis which Policy was issued or revived, or Rider issued. For this, the Company should communicate in writing to the Life Assured or Policyholder or legal representative or Nominee or assignees of Policyholder, as applicable, mentioning the ground and materials on which decision to repudiate the Policy of life insurance is based.

7. In case repudiation is on ground of misstatement and not on fraud, the premium(s) collected on Policy till the date of repudiation shall be paid to the Policyholder or legal representative or Nominee or assignees of Policyholder, within a period of 90 days from the date of repudiation.

8. Fact shall not be considered material unless it has a direct bearing on the risk undertaken by the Company. The onus is on Company to show that if the Company had been aware of the said fact, no life insurance Policy would have been issued to the Policyholder.

9. The Company can call for proof of age at any time if he is entitled to do so and no Policy shall be deemed to be called in question merely because the terms of the Policy are adjusted on subsequent proof of age of Life Assured. So, this Section will not be applicable for questioning age or adjustment based on proof of age submitted subsequently. [Disclaimer: Section 45 of the Insurance Act, 1938, as amended from time to time shall be applicable. Policy Holders are advised to refer to original text of Section 45 as amended from time to time for complete and accurate detail.]
